Final - Publish

D.L.I. Focus:

Identifying action, linking, and helping verbs

D.L.I. Focus for Next Week: Conversation Patterns (quotations)

Veteran's Day Parade

Fifth grade is going to the Loveland Veteran's Day Parade on Nov. 11th. Please send the permission slip back by Tuesday, Nov. 2nd.

Math

All fifth grade classes have taken a division quiz.

Students attend a 20 minute math intervention block several times per week.

We are starting Unit 2 in Investigations next week.

Social Studies

This was our second Friday of Current Events. Every student is expected to turn in a current event on Fridays with a summary of their chosen news article. Five students per class a week will present their current events. The five presenting students are expected to read their summary (rehearsed—able to look at the audience occasionally), their opinion, be familiar with their articles, read loud, clear, and be able to answer questions regarding the article.

Students learned how to find locations using latitude and longitude.
